**Offering Pro Bono Live Interactive Workshop for Team Leaders and Senior Managers
To Increase Productivity, Embrace Your Role as a Team Leader and Ignite Motivation
During February and March 2022**

Find Relief From Daily Management Annoyances interactive workshop shows you how to obtain a 360-degree view of the workplace to stop turnover and build new competencies for employee engagement. Data shows employees leave bosses, not jobs. Start learning new tools to be the Boss everyone wants to work with.

My Promise: This training will bolster team leaders and senior managers to handle diverse situations, take authority and permeate Executive Leadership’s message throughout the organization. It sets you and your team up for growth and success by showing them their unique value and how to leverage that for everyone’s success.

In this 60 minute training you will be able to:

- ✓ Recognize the triggers and motivations that cause you to react and **get tools that diffuse difficult situations so you can maintain your authority, stay focused and act calmly**
- ✓ Learn pause tactics that give you the **breathing room to address issues** while staying in the conversation and the moment to keep your team humming against tight deadlines and decisions
- ✓ Uncover tangible **data about your mission alignment and productivity** to use in discussions on resources, outcomes, and your role to build your **authority and improve KPIs**
- ✓ **Gain insight into where you’re missing the mark** on how you spend your time and align the narrative to build your influence and personal brand

You'll leave with a management toolkit you can use daily– not empty promises or theories.

Meet your instructor, Ilene Marcus: The author of [Managing Annoying People](#) and the [Aligned Workplace Blog](#), Ilene has 32 years in executive positions at multi-million dollar organizations and entrepreneurial enterprises ranging from turning around NYC's Human Resources Administration, managing 10,000 people to serving as a Global Facilitator for leading Seed Accelerator TechStars.

Ilene now mentors start-ups and "sandwiched" managers. She’s worked with over 60 organizations and over 300 people and she intuitively understands systems, culture, and mission and can tie that to human purpose, satisfaction, and productivity. Her speaking engagements, filled with humor and common-sense advice, have delighted audiences nationwide. She earned both a Master of Social Work (MSW) and a Master of Public Administration (MPA) from Columbia University.

Ilene’s goal is to help you deal with the daily stress and workplace annoyances that steal your productivity and keep you from reaching your goals and dreams. If you manage up and manage down and are annoyed all the way around – you’re in the right place.

[Start Today: Download this FREE Pie Chart Alignment Tool™](#) to help you identify the people, places, and situations that get you off track and discover how you can realign your tasks and responsibilities to better serve the company’s business mission and your interests to be the type of manager you aspire to be and others value.
